

HUMAN ORIGINS TODAY PUBLIC PROGRAM

## The Science of Human Origins and Religious Traditions: Challenges and Opportunities

### PRESENTED BY:

**DR. MAYNARD MOORE,**  
President, WesleyNexus

**DR. CONNIE BERTKA,**  
Co-Chair, Human Origins  
Program's Broader Social  
Impacts Committee

Join us for an informal  
conversation in which

Dr. Connie Bertka will discuss with Dr. Maynard Moore his decade-long work as the President of WesleyNexus a network of Christians exploring issues at the interface of science and faith, and his reflection on the challenges and opportunities the science of human origins raises for religious traditions.

**Friday, November 30**

**4:00 – 5:00 pm**

**Hall of Human Origins,  
One Species, Living  
Worldwide Theater**

**FREE AND OPEN TO THE PUBLIC**
